A USEFUL PAIN

Norway People Should Heed Its
Warning

Have you a sharp pain or a dull ache across the small of your back? Do you realize that it's often a timely sign of kidney weakness? Prompt treatment is a safeguard against more serious kidney troubles. Use Doan's Kidney Pills. Profit by a Norway resident's experience.

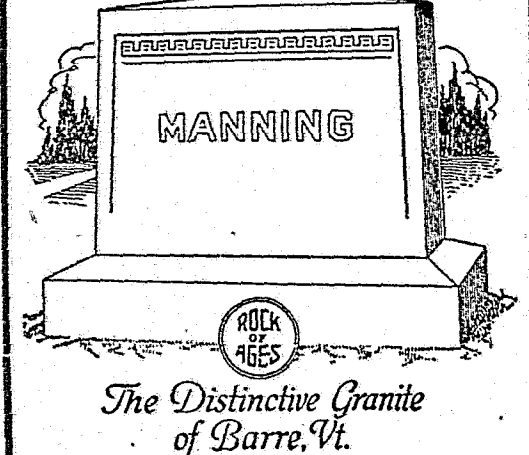

Mrs. W. J. Olmstead, 95 Main St., says: "My kidneys began to give me trouble as they were weak. My back ached so badly I could hardly get through with my housework and everything I undertook to do seemed to drag. I was dizzy and could see star-like spots before my eyes. My feet and ankles swelled. I read about Doan's Kidney Pills being so good and sent for some. When I had finished taking them, I felt as well as ever. The backache ceased and my kidneys became regulated. I have told a number of people about Doan's Kidney Pills and never fail to recommend them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Olmstead had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Stearns Hill

Up among the northern hills of Oxford County, on a particular one known for five generations as Stearns Hill, there was a home-coming on Sunday, Sept. 10, of twenty-nine kindred, descendants of the late S. Porter Stearns, who was for many years a leading citizen of the town of Paris. This hillside farm, beautiful in its setting of rich field and wood, and affording an extensive view of both Maine and New Hampshire hills, was the birthplace of eight members of the party present.

The gathering was planned as a farewell for Miss Annette I. Stearns, the young daughter of the host, William C. Stearns, on account of her approaching marriage to Mr. Leslie Gibson, formerly of Norway, and her future residence in California. The occasion was also graced by the presence of Mrs. S. Porter Stearns, a remarkable woman of eighty-eight years, mother of four sons and two daughters all of whom were present at this time. Sharing the honors of this family reunion were son, Hon. Frank P. Stearns and his wife of Los Angeles, Cal., who have but recently come East for a visit on their bridal trip.

The surrounding country had contributed from its fall quota of wild flowers and artistic hands had transformed the interior of the big barn into a lovely rustic bower. Mows packed to the doors with fragrant new hay were studded with asters and golden rod; garlands of clematis hung in festoons above the long table round which the guests gathered for a real feast. On the table were birch bark bowls full of wild flowers, arranged among trailing ferns and clematis, with place cards of the bark, and for centerpiece an ancient hand-hewn wooden chopping bowl, holding choice home grown fruit, all in keeping with the rustic scheme.

In one room of the old house, decorated with brilliant asters, were displayed the wedding gifts. Handsome silver, hand-worked linens and several checks were there, as well as a finely braided rug made by the grandmother, Mrs. S. P. Stearns, at the age of eighty-eight, and a large center-piece embroidered by the other grandmother, the late Mrs. Charles Chase, at the age of eighty years.

After the repast, there were songs with banjo accompaniment by Warren Stearns and the rest of the golden summer day was spent in happy intercourse and reminiscence of earlier days.

Those present were Mrs. S. Porter Stearns, Miss Annette Isabel Stearns, Mr. and Mrs. Frank Porter Stearns, Mr. and Mrs. Austin P. Stearns, Mr. Henry K. Stearns, Mr. William C. Stearns, Mr. and Mrs. Ellery C. Park, Mr. and Mrs. E. S. Kilborn, Mr. and Mrs. Stuart W. Goodwin and sons, Norman and Robert, Mr. and Mrs. Seward P. Stearns, Mr. and Mrs. Austin P. Stearns, Jr. and children, Laura, Roger and Mary, Miss Muriel S. Park, Mr. Drew T. Stearns, Mr. and Mrs. Alexander Stearns and daughter Priscilla, Mr. Warren W. Stearns.

BALTIMORE ADVERTISING MAN WORRIED ABOUT DAUGHTER

Son of New England Druggist Gave Advice

Baltimore (Md.)—W. H. Benson of Winner Avenue has had considerable worry about his daughter. For over a year he was kept in anxiety, but it seems from these following letters that he and his daughter are both worry-free now.

Mr. Benson wrote to the Dr. J. F. True & Co. of Auburn, Me.: "I have a daughter who has been failing in health and losing flesh for about eighteen months. She continued to go down hill and now balances the scales at seventy-four pounds; she weighed about one hundred and forty pounds. I was told by the son of a former druggist of Lewiston, Me., Mr. Garcelon, that you (Dr. True's Elixir) might be able to help."

Eventually Mr. Benson received a bottle of New England's famous laxative—Dr. True's Elixir. For results read Mr. Benson's reply: "I have been talking about your Dr. True's Elixir. It is great stuff! The Elixir is doing good work for my daughter; please send us two bottles. Yours for health, W. H. Benson."

Scores and scores of such letters show

us that Dr. True's Elixir has been most successful for use in relieving constipation.

Watch these symptoms: Constipation, sour stomach, biliousness, cramps, eyes heavy and dull, bad breath, all gone feeling, headaches. They may lead to more serious conditions—bad colds, grippe, etc. To ward off or make an attack light, take Dr. True's Elixir, the True Family Laxative and Worm Expeller.

Whether child or adult, you can use Dr. True's Elixir to advantage. Pleasant to take, mild in action, no harmful drugs. The herbs used in its preparation are imported and of strictly pure quality.

Safeguard your children from disordered bowels—give Dr. True's Elixir, remembering that it has over seventy years' reputation back of it. To better enjoy yourself, good health is essential. The intestinal tract should be kept properly cleansed by using Dr. True's Elixir. It makes you more fit for life's work, buoys up and gives new spirit. 40c, 60c, \$1.20.

SOUTH ALBANY
We had the first heavy frost of the season, Sunday night. We have to be thankful that the season has been so long and nearly all crops which could be injured by frost were well out of danger.

June Browne was at home over the week-end from Bridgton Academy. Ruth Holt was also home from the same place.

Leon Kimball and Herman Bennett have been at work for John McAllister at North Waterford making some repairs on the house. They have torn away the old piazza and built a new and wider one; also done some shingling and other improvements.

Walter Canwell has been hauling stove wood to North Waterford.

We are glad to hear that Herman Cummings is improving and able to get out around and enjoy the beautiful fall weather we have had for some days.

Merton Kimball of South Waterford was here with his meat cart, last Monday. Walter Lord was here the same day, and Mr. Cole of South Paris sends a man with a truck, who delivers meats of all kinds.

No one need complain of the scarcity of meat just now.

Mr. and Mrs. Merritt Savin visited their daughter, Mrs. Merton Kimball, at South Waterford, Thursday. They also visited another daughter, Mrs. Arthur Kimball, at South Waterford.

As Mr. and Mrs. Cecil Kimball were crossing the bridge near Roland Littlefield's house one day, recently, a large lynx came out of the woods just ahead of them. Mr. Cat swung his tasseled and bewhiskered head around and saw them, but did not seem at all alarmed. He watched them as they walked toward him and seemed to be only curious as to whether their intentions were bad or good until they were quite near, then he turned back into the woods. Of course that was one of the times when no member of the party had a gun, and Mr. Cat had the better of them, as he wasn't a very nice looking varmint for any one to attack with a weapon one would have to use at very close quarters.

Mr. and Mrs. Stevens Abbott and family attended the fair at Norway and visited among relatives while they were away.

Fred Perry attended the postal convention at Portland, going from there to his cottage at Old Orchard.

Grover Circle Ladies' G. A. R. held a very interesting meeting Tuesday afternoon. Ruth Gaffner was initiated.

Mrs. J. W. Hubbard was run into by a boy riding a bicycle and thrown down. Fortunately she was only slightly bruised.

Mrs. E. G. Pife returned from Boston with her new goods, Friday.

Mrs. Susan Hutchins has moved into the Howe house on Portland street.

There is a report that is circulated about so often that we are to have an A. & P. Store in town. The new firm are preparing to do business, the United Shoe Co. This is good news as the outlook for a dull winter, was rather depressing.

Mrs. R. B. Swift of Portland was a guest of Mrs. Emma Lord, Main St., last week.

Josh Billings says: "Success don't konsist in never making blunders, but in never making the same ones twict."

If you made the blunder of worrying through last winter in a cold and uncomfortable house, don't do it again.

It is not only disagreeable, but mighty expensive—twice as much coal—doctor bills, and a ruined temper.

Besides there is no need of it when you can get your house equipped so easily with

OXFORD COUNCIL BOY SCOUT EXHIBIT

That the scouts in Oxford County are a versatile lot, was shown in the attractive exhibit at the Oxford County Fair last week. A display extending over a frontage of seventeen feet in the hall offered one of the best collections for nature study. Mounted specimens of butterflies and moths, a large collection of local minerals, and a variety of sea shells and birds, skins and nests were the striking features. Mechanical novelties constructed by the Scouts included wireless outfits, a miniature barn electrically lighted, and various schemes original with the boys. A wireless sending outfit constructed from odds and ends has a range of two miles.

The background for the display was a collection of photographs snapped during the activities of the Oxford Council Camp at Locke's Mills the past summer. Patriotic stripes were symbolized by the stars and stripes presented to Troop 2 at Andover for distinguished service in the second Liberty Loan Drive. Specimens of our wood, nicely finished, were shown by the Mexico Troop. All sorts of knots tied by expert scouts were there and many things shown displaying the practical side of Scouting.

County Scout Executive Harold C. Perham of West Paris collected the exhibit and hustled over the country in his driver to bring the materials together. This is the first time in the history of the fair the Boy Scouts have put across anything in the exhibition line.

Thousands viewed the display and the majority lingered long to inspect and question Stanley Perham, a scout from West Paris, who gladly imparted information. As a matter of fact, his nature studies and collections were the high spots in this creditable layout.

That Scouting has received an impetus from the exhibition, goes without argument. So many complimentary words have been spoken and written that Scout Executive Perham plans to have double the space next year if possible. Scouts are wild to get into it; parents want their sons to become interested in nature study and other topics leading to development of strong character. Boys heretofore not inclined toward Scouting, have their eyes open, and a substantial increase in membership may be expected.

At present Oxford County is only partly organized, only because Scout Executive Perham can't be everywhere at one time. The northern and eastern part of the county have wide awake troops in the following towns: West Bethel, Bethel, Locke's Mills, Bryant's Pond, West Paris, South Paris, Norway, Oxford, West Sumner, Buckfield, Canton, Dixfield, Rumford, Mexico, and Andover. Probably within a few months Watford, Fryeburg, Lovell and adjoining towns will come into the organization.

CRAMPS, PAINS AND BACKACHE

St. Louis Woman Relieved by
Lydia E. Pinkham's Vegetable Compound

St. Louis, Mo.—"I was bothered with cramps and pains every month and had to go to bed as I could not work. My mother and my whole family always took Lydia E. Pinkham's Vegetable Compound for such troubles and they induced me to try it and it has helped me very much. I don't have cramps any more, and I can do my housework all through the month. I recommend your Vegetable Compound to my friends for female troubles."

Mrs. DELLA SCHOLZ, 1412 Salisbury Street, St. Louis, Mo.

Just think for a moment. Lydia E. Pinkham's Vegetable Compound has been in use for nearly fifty years. It is prepared from medicinal plants, by the utmost pharmaceutical skill, and superior methods. The ingredients thus combined in the Compound correct the conditions which cause such annoying symptoms as had been troubling Mrs. Scholz. The Vegetable Compound exercises a restorative influence of the most desirable character, correcting the trouble in a gentle but efficient manner. This is noted by the disappearance, one after another, of the disagreeable symptoms.
